SHORE TO SHORE FUN RUN

Don't miss out on the chance to support Hauraki School by participating in the **Harcourts Cooper & Co Shore to Shore 2024** event on Sunday 7 April. By registering through the school, you'll be helping to win sports vouchers worth up to \$2000 for the school. Spread the word and gather more participants to benefit the school, while enjoying a fun day out with family! Click [here](#) to register for Hauraki School - Hurry as registrations close on 30th March!

Wear your house t-shirt!

WALKING SCHOOL BUS

Hauraki School currently offers four walking school bus routes, starting from Hart Rd, Jutland Rd, Eversleigh Rd and Walter St. We strongly encourage children to walk to school as it promotes healthy living, provides opportunity to make new friends, and helps reduce chaos at the school gate.

[Join the WSB Now](#)

What is it?

- A walking school bus is just like a school bus except children walk to school under the supervision of adult volunteers, creating a safe and social journey to school.
- Children are collected from stops along a planned route and dropped off at the school gate. Along the way they learn how to safely negotiate the road and have an opportunity to socialise and share stories with friends and neighbours. What a great way to travel to school!
- Walking school buses also make a contribution to reducing the amount of traffic around schools – in Auckland there are more than 200 active walking school buses, with over 4,000 children regularly walking to school. That's a lot of active feet on the street.

How do I join?

Benefits

Health and fitness – for children and parent walkers alike

A big **time saver** as you don't have to negotiate the slog to school, traffic at gate, etc – the bus does it for you

Great **socialisation** – lasting friendships for the kids, and parents get to meet fellow members of the community

Promoting **independence** in our little ones

Kids get great **rewards**, including: fun bag tags, certificates, and choices of goodies when they finish 'bus tickets'. Exclusive special events at school, like free sausage sizzle, milo and muffin mornings, summer lunchtime swimming in the pool

Safety. You know your children will benefit from the presence of adults.

Parental Commitment

The WSB works thanks to parents like you. One morning a week you 'drive' the bus, the other four mornings you're freed from the school run. Of course, you can 'drive' more often if you'd like.

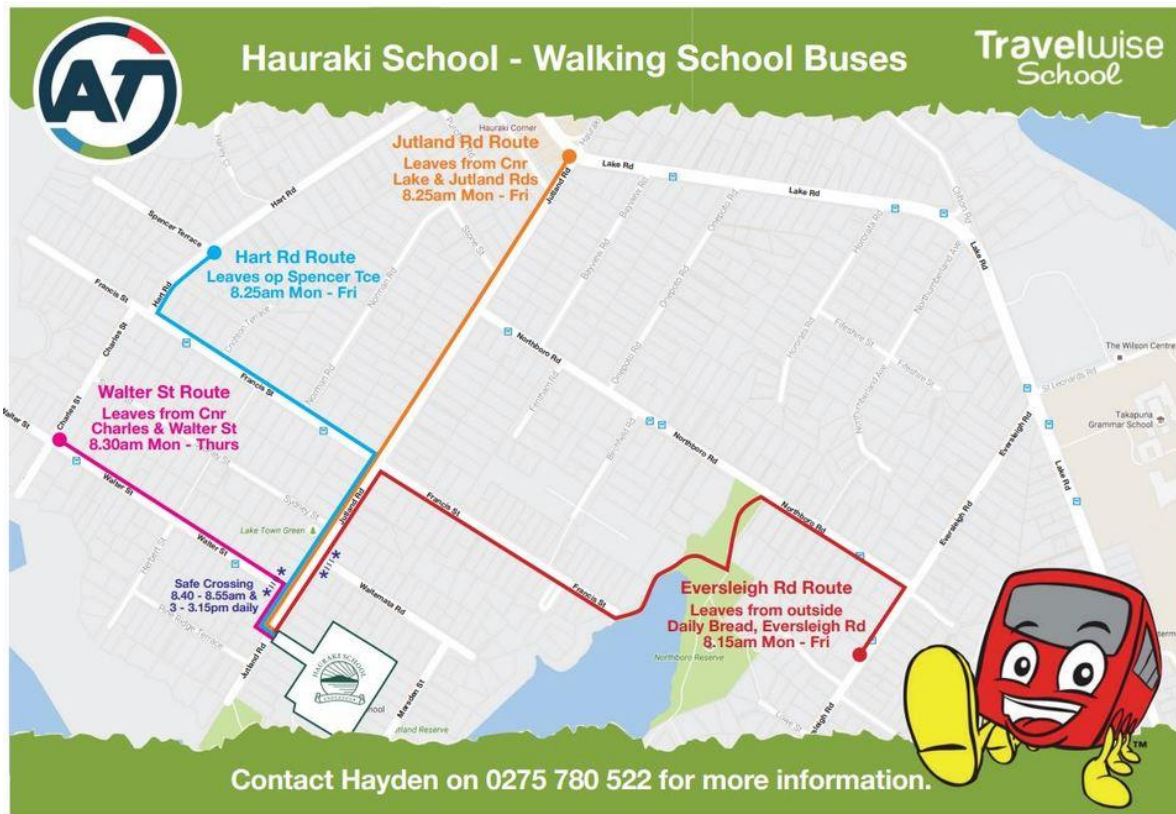

What happens if you can't make it one morning? We all have times when sickness, work or other commitments mean we need help, and WSB parents support each other through them. Just shout out to fellow bus drivers on your route, and arrange for a swap or if someone can help out.
