

Hauraki Primary School Policy Document

Community Consultation

Rationale:

The school values its parents and community and endeavours to report to, consult with, and develop a partnership with them.

Purpose:

•To maintain an ongoing partnership between the school and its community.

Guidelines:

1. A welcoming, warm school atmosphere acknowledging the value of parent support will be a characteristic of the school.
2. Opportunities for encouraging parents to assist and communicate with the school will be fostered as an ongoing part of school life.
3. A range of modes will be used to ensure purposeful consultation with the community, for example, syndicate and school newsletters, parent evenings, annual reporting, surveys, website and facebook.
4. Parents/caregivers have access to policies and are invited to contribute to programmes and policies.
5. Meetings of the Board of Trustees are open to the public.
6. Regular consultation with Maori and Pasifika takes place.
7. The BOT endeavours to communicate with the community regularly.
8. Regular consultation with the PTA takes place.
