Policy Document

Ex Reading Recovery Students

Rationale:

That progress made by individual students who have had Reading Recovery is maintained and progress is continued.

Purpose:

To monitor student's progress once Reading Recovery is discontinued.

Guidelines:

1. The majority of children on the Reading Recovery programme will be discontinued after 20 weeks. Children not making progress will be referred on to the RT Lits Service and/or provided with on going school support.
2. Children who have completed the Reading Recovery programme and are discontinued will be monitored by the class teacher and follow the school reading assessment process.
3. If the child is not progressing the class teacher will liaise with the Reading Recovery teacher or SENCO.
4. The Rainbow Reading programme, Steps to Literacy programme or school specialist group programme may be necessary to ensure the child continues to progress.
