

Hauraki Primary School
Policy Document

Parent Teacher Association (PTA)

Rationale

The Hauraki School PTA performs an important fundraising and social role for the school community, providing opportunities for students and their families to be involved in school life.

Purpose

To note the role of the PTA and its relationship to the Hauraki School Board (the Board) and school.

Guidelines

1. The PTA is a voluntary group that operates in accordance with:
 - its current constitution, which is updated from time to time and is attached as Appendix one; and
 - Charities Commission requirements to maintain its charitable status for tax purposes.
2. The PTA operates autonomously from the Board. The Board does not direct the PTA's objectives, nor does it become involved in PTA decisions. However, to align fundraising objectives, a positive relationship and open lines of communication between the Board and PTA is considered important. In any discussions with the PTA, the Board is normally represented by the principal.
3. Money raised by the PTA belongs to the PTA and is held in its own bank account.
4. The PTA may agree to donate money to the Board at any time throughout the year. When the PTA donates money to the Board, the funds are no longer considered to belong to the PTA. However, any donations received by the Board should be spent in a way that is consistent with the original reason for fundraising. The Board will ensure any expenditure is clearly linked to the business of the school, in line with its Finance and Cash Management policies.
