Policy Document

## Ex Reading Recovery Students

### Rationale

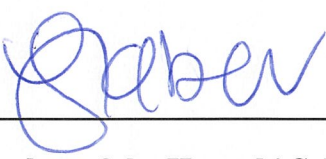

That progress made by individual students who have had Reading Recovery is maintained and progress is continued.

### Purpose

To monitor student's progress once Reading Recovery is discontinued.

### Guidelines

1. The majority of children on the Reading Recovery programme will be discontinued after 20 weeks.
2. Children who have completed the Reading Recovery programme and are discontinued will be monitored by the class teacher and follow the school reading assessment process.
3. If the child is not progressing, the class teacher will liaise with the Reading Recovery teacher or SENCO.
4. School specialist group programmes may be necessary to ensure the child continues to progress.
