Kia Ora Tatou

I am writing this last newsletter of the term at my school desk for the first time in six weeks! Thanks everyone once again for your support and strength over this challenging time. We are well aware that on line life for many students is a collaborative effort that does not replace face to face teaching at school, but at least it provides some continuity of learning.

We are all hoping that normality can resume when the new term begins on Monday 18 October. Our teachers are all planned and ready for you! Just to clarify, at Level 2, we run a full in-school programme, and we will not be running our online programme. An update will be provided about returning to school towards the end of the holidays when more certainty is assured.

Below is a short, but possibly helpful and useful video hosted by Dr Hinemoa Elder and Nathan Wallis with lockdown tips for whanau and communities.

FAREWELL

I would like to acknowledge Vicky Morgan who has been a teacher aide in the junior school for the past couple of years and leaves us at the end of this term. Her ability to assist with academic learning and build very positive relationships with children are concomitant with her outstanding contribution to Hauraki. Thank you, Vicky. Our very best wishes go with you.

SPRING LEAGUE NETBALL FOR TERM 4

A reminder that the cut off date for spring netball registration for year 2-6 students is tomorrow, **12 noon Friday 1 October**. See the form below. **No** late entries accepted. Please note games are either THURSDAY (Year 2-6) or SATURDAY (Year 4-6). <https://forms.gle/Fkgy1yz3b5bMba6U7>

Of course, the status of the Auckland alert level may impact the delivery of this sporting opportunity.

COOL SCHOOL POOL PROJECT

With the excellent fundraising efforts this year (even in these crazy Covid times) we are continuing to get closer to our goal of a new school pool. However, the current Covid environment has meant that any building project has been put under immense pressure with regards to supply issues and pricing increases. As such, to ensure we have an accurate project budget (including contingency) in place, we are in the process of re-quoting the key parts of the project. This will also put us in a strong position for when we begin applying for Funding Grants towards to the project.

In this regard, **we are in need of help** from anyone in the construction industry who may be able to work with us around the demolition of the existing pool and excavation of the new one. If you have any experience in this area, or know of someone who does who is willing to give us advice, it would be great if you could reach out to either Bianca Cornforth (biancacornforth@gmail.com) or Nikki Horne (nikki.horne@xtra.co.nz). Thank you.

FREE!

The new gravel in front of our new junior block needs to be removed to make way for the playground. If anyone has a project that they'd like it for you are welcome to come and collect.

It's going to be an unusual holiday, but I hope that you all do as much as you can to get a break, to have family time without the pressure of learning. Look forward to 18 October all things going well.

Noho ora mai. Look after yourselves.

Hi & your child(ren),

As long as we are in Level 2, we will run our
October holiday days, albeit masked & well
sanitised!

We know that there will be a lot of families who will
be looking for a safe, fun and positive environment
to send their children after such a long spell at
home. We have strictly limited numbers due to the
Covid Level 2 restrictions. You will need to pre
book if you want to guarantee your place
