Kia ora tatou

Last weekend was a busy but successful one for Hauraki School. Thank you to everyone who supported the Electric Picnic.

It was a relaxing and fun event with plenty to eat and drink, the highlight being a great auction. Thank you to all those very generous families who donated items and/or bided on them. We are so lucky to have such a supportive school community. Special thanks to Harcourts Cooper & Co, The Beer Spot, Highlife Entertainment, Finery, Devonport Electrical and the Village Butcher. Approximately \$30 000 was raised on Saturday for the new pool, an admirable effort! Big thanks go to Adam Bennett who master minded the event and the amazing helpers who worked hard on the day!

As mentioned before demolition of the old pool begins on the first day of the school holidays, **Monday 15 April** and excavation for the new one will follow.

For this reason, please note that all the school grounds will be closed for the duration of the holidays. No children or families are permitted to enter. Your cooperation with this important matter is much appreciated.

It's the end of an era for this hand dug pool of the mid 1950's. Below the whole school is saying goodbye.

Our next fundraiser is a Spellathon which has also been designed to benefit children's spelling. Today all children will bring home a pack including a list of words that they are asked to learn. These have been aligned to spelling rules taught at school. They will also bring home a sponsorship form and they are asked to get as many sponsors as they can. Testing of words will take place at the end of week 2 on **Friday 10 May**. A more detailed competition outline has been sent home today. Please look out for this in bags.

WALKING SCHOOL BUS

The Walking School Bus would like to welcome the new families who joined us throughout March. Many new friendships have been made, both with the children and the parents. Your Smiggle vouchers will be with you in the coming weeks. Enjoy the new swag! Special thanks to the children who made the posters around the school; they were so creative and vibrant. Well done.

What a great way to start walking to school, too, with an Easter Egg hunt before school! Somehow the Easter Bunny delivered early, and all the kids on the four routes found an egg on their way to school.

If you'd like to be involved and join the Walking School Bus, more information and how to register can be found here <https://www.hauraki.school.nz/wsb.html>

Enjoy the school holidays.
