Kia Ora Tatou

Welcome to term 4 and another busy term of teaching and learning. End of year assessments will also take place and the results are to be part of the end of year student reports to be sent home on Friday 15 December.

We look forward to a term of warmer weather and high school attendance. You may be interested to know that 40% of our students had at least one day of unjustified absence during last term. The impact of this on teaching and learning is considerable for teaching staff.

Thank you to all those who attended the parent sharing morning on the last day of term 3. It gives students a real sense of purpose when they have the opportunity to share their learning with others.

REMINDERS

Just a few reminders now that summer is around the corner.

- It is compulsory for all students to wear their school hats in the playground at morning tea and lunch times this term. Please ensure that your child has a named school hat. These are available from the school office.
- As always, children are required to wear footwear to and from school. This is either black sandals and no socks, or black shoes and silver socks. Girls are able to wear black tights if they prefer but no other colour.
- Please, **no** children are to play on the school playgrounds after school. We request children go straight home after school unless they are at after school care.

SCHOLASTIC BOOK ORDERS

Last order for the year, these books make great Christmas presents.

You can order online or with cash. If paying cash, put the **correct money** in an envelope or ziplock bag with the order form and place it in the box in the office foyer. Make sure the form has the **child's name** and **room number**. If you would like to keep the order a secret from your child, you can put the office as the room number. Orders will close on Thursday 26th October.

Last weekend (7 & 8 October) the PTA updated the Cool School Pool fundraising thermometer!

It highlighted just how close we are to our target of \$500,000 and to breaking ground early next year.

The building consent is passing its final round of RFI's and the contractors are locked in!

With just one more PTA fundraising event left on the calendar for 2023, it's time to secure your tickets for the Hauraki House Party being held at the school on November the 11th.

Tickets available via Eventbrite:

The PTA would like to thank everyone for their continued support as we surge toward our goal of building a new pool for our school, benefiting our children and the wider community.
