Kia ora koutou katoa

Thank you to all those who attended parent interviews last week. These were reasonably well attended and I trust this was worthwhile. We certainly value the opportunity to strengthen home-school partnerships.

EXCITING POOL ANNOUNCEMENT.....

The School is excited to announce that after five long years of fundraising we are set to break ground on **Monday 15 April 2024**, the first day of the school holidays. A huge thank you to Mr Steve Eagles, parent who is master minding the new pool project, and to everyone else who has contributed in so many ways.

It is significant in the life of Hauraki School but is also tinged with sadness when we think of the current pool that was hand dug by willing parents in the 50's. It has served the school community well for 70 years.

Because of this project the school grounds will be closed during the April holidays as there will be diggers and trucks roaring in and out of the school.

The Electric Picnic on the 6 April and also a Spellathon in early term 2 will be amongst the last chances to assist in the fundraising for the Cool School Pool so we hope you can all be involved! When you come along to the Electric picnic you will be able to wander round and see the new pool marked out! In the meantime, if you have not yet bought your tickets, please go to <https://www.eventbrite.co.nz/e/hauraki-electric-picnic-tickets-844366060617>

WATERWISE

 <p>Boat rigging at waterwise this week</p>	<p>A big thank you to those who have agreed to undergo waterwise training outlined in the last newsletter. It will enable this popular programme which provides students a whole different dimension to their learning to continue. There is still room for more so if you're interested please talk to Grant Thomlinson 021 885 690 or email grant@rentalcarvillage.com</p>	 <p>Winning kayaking team this week</p>

ACTIVITY FUND

In the term 1 activity fund, \$4 was allocated for an anti-bullying show from Australia that looked promising. Unfortunately they have cancelled. We have decided that the simplest solution would be to hold this amount over to term 2 as a contribution to Brain Play robotic sessions that all students will experience. Trust that is satisfactory for everyone.

FAMOUS PERSON

<p>Marlin Zhang is to be commended on his participation in the 2024 ASA Auckland Junior Long Course Swimming Championships.</p> <p>He won a silver medal in the boys' 10 and under and ranked top two in the boys' 9 years old in multiple events.</p> <p>Congratulations Marlin. We are very proud of you!</p>

This last fortnight concluded with a cricket match against Vauxhall today that we won by one run! A fun game! Thank you for reading this newsletter.
