Kia Ora koutou katoa

Thank you to all those who attended parent interviews last week. I trust that you found this a worthwhile opportunity. Students and teachers are well settled now into sound routines and it is a pleasure to watch students abiding by our school motto *Endeavour* and showing pride in their class work.

Please can we have everyone at school by **no later than 8.50am** so that teachers are able to start their day at 8.55am without interruption by latecomers. Thank you in advance for your cooperation with this.

Hauora or well being is our value of focus this term. At assemblies and in the classroom students have been developing an understanding of what this means, and have been provided with ways to enjoy good hauora. Our aim at Hauraki is to have students leave us confident, caring, and capable life long learners.

We do our best to ensure that bullying does not happen at Hauraki School. Unfortunately incidents do happen from time to time most of which we know about and deal with promptly. If you know of any issues that we're not aware of, please don't hesitate to tell us. It is much better that the school sorts them out and mostly we can do this easily and successfully. All students have the right to come to school and be happy and safe!

E-SAFETY PARENT MEETING

All parents are invited to an e-safety meeting 'Developing Resilient Students in a Digital Age' led by experienced teacher, Gaea Ladley on **Thursday 27 April 7pm** in the school hall. Some important messages for parents will be conveyed.

COVID

We have had a few covid cases amongst families this school this year. Just a reminder that if there is a covid case in your household students are able to attend school provided they're negative, but should be tested daily, and wear a mask while out and about including school. If you choose to keep your child at home because they are a close contact we support that, and work can be provided by the class teacher. Anyone with covid is required to isolate for seven days.

ANOTHER HEALTH REMINDER

I would like to emphasise the importance of not sending unwell children to school. Over the past couple of weeks we have had a number of students vomiting at school and often they have said they felt sick before arriving at school. This has resulted in a vomiting and diarrhoea bug being spread to others. The Ministry of Health website clearly states keep your child at home 'until well and 48 hours after the last episode of diarrhoea or vomiting'. Thank you for your cooperation with this matter.

SHORE TO SHORE FUN RUN

If you wish to enter this great family event, the Shore to Shore Fun Run from Takapuna Grammar to Milford Reserve mentioned in the previous newsletter. Details as follows shoretoshore.co.nz/register/ Registrations close 19th March.

FAMOUS PEOPLE

Leon Xu was teamed up with his older brother Luffy who attended Hauraki to join a breaking dance competition called Sandyface last Saturday. This was their first breaking competition and they got second place in the final which totally surprised all of us. Congratulations, Leon, a great effort.

Once again Makaia Anesi has broken an athletics record at the Takapuna Club.
