Dear Parents/Caregivers

As you may be aware this is Speak Up, Stand Together, Stop Bullying Week in Aotearoa. Last week at a whole school assembly as part of accountability which is our value of focus this term, I reminded children of what bullying is – deliberate, repeated, and involving a misuse of power and action. I presented scenarios and they told me whether they were bullying or not. The different kinds – physical (hitting, kicking, taking belongings), verbal (name calling, insulting remarks), and social (spreading stories, exclusion, cyber) were spoken about in child speak language. We talked about the hurt and harm that it causes and the right of every child to come to school and feel safe and happy.

My message was clear – that bullying at Hauraki School is unacceptable and we do not tolerate it.

Overall, the results of our last community survey indicated a strong Hauraki school culture where positive behaviour is the norm and where students actively work to stop bullying and will willingly report to an adult. Reminding children about respecting and caring for each other and giving them strategies for this, is an integral part of what we do on a regular basis that must continue to be conveyed.

I would hope that our positive school climate creates an ethos of caring that extends to parents so you feel comfortable with reporting any incidents that may occur. From my experience it is always better for the school to sort problems rather than.

Any bullying incidents that I'm made aware of will always be dealt with as appropriately and sensitively as possible. I have recently been involved with three separate instances that I am continuing to monitor and commend the children and parents involved who stepped up and made it known to the teacher and/or me. We are making good progress.

This **Friday 17 May** is about sharing aroha, kindness, and celebrating diversity to create an environment free from bullying by wearing mufti clothes. If you wish, your child can bring a gold coin donation and funds raised will be forwarded to the Mental Health Foundation.

Perhaps a little late but if anyone wants an official pink T-shirt from CottonOn (online or in store). Proceeds go to Mental Health Foundation. <https://cottonon.com/NZ/psd.html>

SCHOOL CLOSURE DUE TO TEACHERS' STRIKE

Dear Parents and Caregivers of Hauraki Primary

The New Zealand Educational Institute has advised the Hauraki Board of Trustees that the Principal and teachers at our school will be taking strike action **Wednesday 29 May 2019**. The Board has carefully considered the availability of non-unionised teaching staff, and unfortunately decided that it cannot provide the normal teaching and supervision services during the strike. The health and safety of the children is of paramount importance and without the required supervision, the school must close. Therefore it is important that you make alternative arrangements for the care of your child/children **Wednesday 29 May 2019** as the school will be closed. Thank you for your understanding.

Yours sincerely,

Brendon Clark

Chair Board of Trustees

BOARD OF TRUSTEE ELECTIONS

As some of you know, our senior students have a leadership opportunity with the Walking School Bus. And I am thrilled to announce that our first two students have passed their learner's licence and ready to move on to their restricted licence.

Nina Girard has worked extra hard on making sure those sneaky drive ways were clearly identified and observed and

Petra Phantang has been walking with a permanent positive attitude, making sure no one was staying behind and the bus kept a good pace.

Well done to both year 5 girls .

We'll be having special treats for Walking School Bus children in term 2.

If you'd like to join the walking school bus, ask your parents to fill in the form on the school website.
