

NEWS

Rāpare, 20 Hoongongoi 2023/ Thursday, 20 July 2023

Kia Ora Tatou

I hope you have all managed at least some rest and relaxation over the holiday break and are ready for another busy term. We have much learning to do and memories to make.

A special welcome to the 16 new students who have joined us this term. We wish you and your tamariki a happy and successful time as you transition into Hauraki School.

Brand new five year olds being taught by teachers, Mrs Jess Ryder and Mrs Eunsun Kim

Please be sure to read this newsletter each fortnight so that you keep abreast of school happenings and your child does not miss out on potential opportunities.

Termly syndicate letters will also go out today. It is important that this is also read as it conveys important messages and dates.

In the junior letter there is one incorrect date i.e. the Arts Festival to which you are all invited (although mainly middle and senior students performing) is to be held on **Wednesday 13 September 1pm and 7pm** and not Thursday 14th as stated in the newsletter.

HOLIDAYS

Please be reminded that all tamariki are required by law under the Education and Training Act 2020 to be at school during term time unless unwell. Teachers are invested in your children and it is often disappointing for both parties when they are unnecessarily absent because of family holidays and children miss out on planned events that they have been working towards.

I urge you to give this careful consideration when planning trips.

KEY DATES

Thursday 27 July

Rippa and Tackle Rugby Field day

Thursday 27 July 7.30pm

Maori whanau gathering in school staff room

Friday 28 July

Bike testing for 9 years and over including those turning 9 this term

FAMOUS PERSON

Congratulations to Sophia Edmonds and her achievements at a national competition during the holidays. She made it into the finals and was placed second on the balance beam earning herself a silver medal. We are so very proud of her!

GUITAR LESSONS AT HAURAKI SCHOOL

Unleash you inner rockstar in our small group guitar lessons!

Join us for an exhilarating journey where you'll have a blast learning the latest radio hits while step by step, discovering essential skills such as; strumming, playing and learning to read riffs and melodies and We'll also build up to writing your own songs too! Our lessons create a fun and engaging environment where you'll learn the skills for creative expression, helping you become the guitar hero you've always wanted to be.

All our classes start from the very beginning, so no experience needed! our lessons are in the music room every Wednesday and Friday after school.

COACHING PROGRAMME

Dear Parents,

Playing chess in school helps students achieve many learning outcomes faster and more effectively. Put simply, chess makes kids smarter. Chess enables all students to shine and develop intellectually in a way they really enjoy. Playing chess develops self-confidence, concentration and problem-solving skills.

Put simply, chess makes kids smarter.

We are pleased to continue the Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to your children.

Chess Power has been educating Chess in many schools in Auckland and across New Zealand. Our coaches are all professionally trained and accredited and our support systems are world class.

WHAT HAPPENS IN A CHESS POWER COACHING PROGRAMME?

- ✓ Grow Kids Minds™!
- ✓ Improve concentration and focus
- ✓ Develop important life skills – fair play and decision making
- ✓ Develop Tactical & Strategic thinking
- ✓ Prepare for Chess Tournaments against other schools
- ✓ Develop a love of chess, of learning and of thinking
- ✓ Play Chess Online safely and for free

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way.

Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

CLASS DETAILS

Sessions will be held weekly on **Wednesdays** from **8:00am to 9:00am** starting **Wednesday 19 July 2023**. The last session will be held on **Wednesday 20 September 2023**.

This is a 10-week program. The fee is \$182 for the term per student.

REGISTRATION

If you child would like to be part of this for Term 3, please visit our website:

www.chesspower.co.nz/class-registration

It is easy to register. Just choose your school and fill out the online form. A payment link will be available to you on the form.

UNIFORM

We apologise for not having socks available for purchase at the moment due to reasons outside our control. We are expecting them in about three weeks time so in the meantime affected students are able to wear something as close as possible to silver grey. Girls of course can wear black tights.

Otherwise, please be reminded that school uniform must be worn correctly.

Soup preparation

Star making

Fantail making

SPORTS

BASKETBALL - PYTHONS

The Hauraki Pythons recently won the championship division at the YMCA's basketball competition. The players worked really hard throughout the season and have come away with a very big trophy! Well done to all the students involved.

Pythons to the right: Daniel McLiver, Leon Xu, Kash Baskerville, Henry Ryder.
Absent: Keanu Anesi and Cody Wignall.

Thanks to Ollie Wilkinson for playing for the team in the final.

BASKETBALL - COMETS

Congratulations to the Comets basketball team who won the sportsmanship award for the u10 league! We are all so proud of them!

From left: Maya Schick, Charlotte Wong, Zoe Curtin, Taylor Metcalfe, Makai Anesi, Georgia Wensor, Daisy Keber, Scarlett Chauvineau, McKenzie Thorpe.

SNAPSHOT

HIBISCUS COAST

TERM 3, 2023

TIME TO GET YOUR STUDENTS UP AND MOVING

By Paul Jamieson - Managing Director

Kelly Sports teams across the country have been out and about delivering a range of in-school programmes during Term 2.

Our coaches have been having some interesting conversations with teachers about the affect the last few years disruption has had on the children's core motor skills. Difficulties in tasks such as hand-writing, gripping a pencil or sitting up straight and their ability to concentrate has had a flow on effect to locomotor, stability and manipulation skills while doing PE or sports.

In many cases, Kelly Sports has had to go back to basics to teach how to hold a ball, how to kick, how to catch and how to throw in all year groups. Our large ball or small ball programmes have been ideal for this situation.

Winter is here and with it brings school cluster sports days. Why not get Kelly Sports in to run a programme for those children not involved and left behind at school?

Get in touch with us today to see how we can help your school and students meet its sporting and physical activity needs.
