Dear Parents/Caregivers

This is the last newsletter for what has been a busy and positive term with lots of new learning taking place. Thank you for taking the time to read this and keep up to date with school happenings.

It was with pleasure that the junior classes shared with parents snapshots of their term's work in exercise books and digitally via seesaw yesterday. We hope you enjoyed seeing the progress your child has made as much as children enjoyed sharing it.

FAMOUS PEOPLE

Congratulations to **Regina Cao** who this time has topped New Zealand with her outstanding effort in the 2018 Kiwi Maths Competition run by the University of Canterbury. The competition was highly contested by over 400 schools throughout New Zealand. Needless to say we are very proud of her!

Congratulations, too, to **Sage Austin** who has been selected for the North Harbour Hockey Development Squad.

SPORTS UNIFORMS

Thank you to all those who have returned sports uniforms to my office in a named bag. Please can all the rest of these be returned before the end of the term please. If you are playing summer netball or hockey you may keep these in the meantime. Thank you. Also please return any outstanding bibs and balls to Mr Pipes. Thank you for your cooperation with these matters.
