ROAD PATROL

We would be most grateful if someone could please volunteer to do road patrol supervision every second Friday afternoon from 3 – 3.15pm. Please email deputy principal, Christopher Pipes. He would love to hear from you!

ROAD SAFETY

Please **do not** park on yellow lines to drop your children off even when it is raining. This is illegal and is poor modelling for your children but also affects the sight line of the road patrols. We have been asked to report any offenders to police if seen doing this!

Also when coming to collect children from sports practices please park on the road and walk down rather than driving into the school. Your co-operation with this matter would be much appreciated as there simply isn't room to accommodate traffic other than staff cars even late in the afternoon.

FAMOUS PERSON

One of our students, **Adeline Lee** competed at the Auckland Open Taekwondo Championship on Saturday May 19th and won a gold medal. Adeline has worked incredibly hard and this has shown in her outcome. Her programme manager is very proud of her!

OPEN DAY

This is planned for **Friday 8 June 9am – 10.45am**. and designed for prospective parents and their children. If you know of anyone who is considering attending our school please let them know about this opportunity.

GIVE A KID A BLANKET

Reminder that this continues till **Friday 1 June**. All those who have donated will be able to wear mufti that day! Thank you for the very generous donations to date. As mentioned previously a great opportunity to support those less fortunate than ourselves!

UNIFORMS

Thank you to those who have responded to notes sent home to selected students last week regarding incorrect uniform. We want children to be proud of their uniform and present a positive image in the school community. If there is a genuine reason as to why the correct uniform can't be worn we need to be informed. Thank you to those parents who have already let us know! Another inspection is to follow within the next week or so! The following may be helpful.

Term 2 Value:
Assertiveness

Footwear: Children are to wear black sandals or black shoes (school shoes that are not sports shoes and do not have coloured markings on them or white soles but are plain black leather or leather look alike school shoes). No boots permitted.

Socks must be the silver regulation socks available from the school office or girls may wear black tights (not footless or any other colour).

Leggings are not permitted under shorts.

Undergarments: If these must be worn they should be a neutral colour and not visible.

Hair ties, clips, ribbons, and plain bands that are green, or black only can be worn. No cats ears! Long hair should be tied up every day. Thank you for your cooperation with this.

SPORTS UNIFORMS

These have been distributed for hockey and netball recently. They are yours for the season but we ask they are returned at the end of that time clean and in good condition. Please look after them as we have invested a lot of hard earned PTA money in them that you have likely contributed to!

SHORE TO SHORE EVENT

Thank you to all those who participated and in so doing contributed to a rebate of \$966 that we are able to use for purchasing P.E. gear.
