Dear Parents/Caregivers

Welcome to term 3 and hope you all managed at least some good quality time with your children over the particularly mild holiday break.

We have much planned for term 3 but firstly, a warm welcome to our 20 brand new five year olds who started in room 20 this week, as well as several older children in other classes. We wish you all a happy and successful time at Hauraki School

This week at our whole school assembly this term's value, Kindness, was introduced. I explained that this begins with showing kindness to oneself by being organised and trying your best every day so things go well. Reminding children to look after their belongings, returning things to where they belong, ensuring they have complete pencil cases, remembering spelling notebooks, library books and finished homework each week and presenting work with pride are just a few examples of how children can be kind to themselves so that life is better for them.

I am sure you do but it would be great if you could continue to support us by reminding children about these too.

At the end of last term ex-Hauraki student, Peter Millett, who is now a successful children's author interacted with room 19, as he promoted his new book *The Invincibles* whilst being filmed for TV. It proved to be a memorable and fun morning!

Peter Millett, film crew and room 19 enjoying the limelight!

40 HOUR WORLD VISION FAMINE

This year some Year 5 and 6 students chose to make a difference to the lives of South Sudanese refugees by taking part in the Famine. They chose to give up something they have everyday such as technology, talking, furniture, food and so much more for 40 hours. Together they raised **\$2,005.60** to go towards helping provide food, shelter and learning spaces. A great effort Hauraki School!

A special thank you to our fantastic Famine Leaders, Regina, William, Brooklyn and Oliver who helped Mrs Sloan get students involved and to make sure it ran smoothly.
