

Raapare 25 Hune 2026/ Thursday 25 June 2026

Kia ora e te whanau

Mid-year reports will go home on Monday 29 June so please look out for this in your child's school bag.

For the first time we are reporting against the new English and Maths curriculum using Progress Descriptors that define levels of achievement. Because the way we will be reporting is different you could see a change in your child's progress or achievement compared to previous years. This mid-year report is tracking towards end of year expectations and for most students the expected level is **Proficient** so they are prepared for the next year's learning.

An explanation of Progress Descriptors will be included on the back of the report. At the parent interviews that follow on **Wednesday 1 July** more specific information is able to be provided.

If you haven't already done so please go to www.schoolinterviews.co.nz and use the code **jc5zp** to book your interview time. These close off on Monday 29 June at 12.30pm.

GIVE A KID A BLANKET CHARITY

The recent mufti day resulted in a huge amount of warm clothing and blankets being donated to this charity. They were very impressed and grateful with the amount and quality of what our community donated. As Bernie the organiser said, 'yet again your community did themselves and your school proud'. Thank you, everyone.

CHESS SUCCESS

At the North Shore 2026 Primary Chess Championship last week the Hauraki School team was placed third in the Qualifying Division (top division). There were over 160 players and more than 40 teams competing. They worked really hard and were thrilled with their result. They have qualified for the 2026 New Zealand Primary Chess National finals on 26-27 September.

ART MATERIALS REQUEST PLEASE

Fabric, wool and natural materials for term 3 art!

We are looking for donations of spare materials you might have at home or in your garden to use in art next term. If you can help with any of the following items, we would be very grateful:

wool/yarn (any colours or lengths)

fabric scraps, offcuts, or felt

ribbons or embroidery threads

natural weaving fibres (such as fresh or dried flax/harakeke, palm leaves, or long grasses)

Donations could be dropped off to room 1 before the holidays, or in the first few weeks of next term. Thank you.

REMINDERS

New signs: As you may have noticed we have recently had new signs erected to deter golf, dogs and electric bikes and scooters from entering our school grounds. These are in the interests of health and safety for our children so if you can all help spread the word that would be appreciated.

Camera: It is also worth mentioning that we have had a new camera installed that specifically targets the bike storage area. This is a result of some unfortunate tampering with bikes. A clear message has been given to students about this.

Parking It was reported to me that yesterday at 3 pm, a car was parked on the yellow lines on the Jutland and Francis St intersection while children were walking behind it to get across the road. This is clearly unacceptable and a safety hazard. Please do not let this happen again.
