Kia Ora Tatou

I trust you all received your child’s mid-year report at the beginning of the week, and thank you for attending parent interviews last night. A home school partnership is important to us as we work together to provide optimum learning for students. Your support with completing homework, perhaps doing a bit of extra practice where needed, and having your child organised for school each day are greatly appreciated. Remember if you have any concerns during the course of the term you are always welcome to make contact.

I was very proud of our kapa haka who performed admirably at the recent Bayswater Matariki Festival. Thank you to parents for ensuring they were in attendance.

Thank you for the unbelievable generosity towards *Give a Kid A Blanket*. They were so grateful!

A couple of student quotes:

“I feel so proud,” remarked Viktor.

“It makes me feel good when I help other people,” said Piper.

GENERATIVE ARTIFICIAL INTELLIGENCE (AI) POLICY

As a school we acknowledge AI can support learning, administrative practices and professional learning but must be used with caution and be aligned to educational values and principles. The board has recently signed off on a new policy that is designed to provide staff with guidance on the responsible and ethical use of AI technologies at school. You are welcome to view this on our web site or below:

SPORTS

Basketball

Well done to the 7 basketball teams that represented Hauraki School over the first half of the year. We had some fantastic results with 4 of our teams getting medals on the final day. The Hauraki Pythons won their division, the Hauraki Hurricanes were 2nd and the Hauraki Stars and Hauraki Thunder both came away with bronze medals. A big thank you to all the managers and coaches who made this season possible. We look forward to doing it again in terms 3 and 4!

To the right is a photo of the Hauraki Stars basketball team. Thank you to coach, Gavin Metcalfe. This team can be commended on their great attitude, effort and team work.

Splash Polo

The Hauraki Water Dragons won the C league final 3-2 to take home first place. Thank you to the parent managers and coaches.

Congratulations on this great achievement.

Junior Netball

Last Wednesday our Year 6 netball teams participated in the Netball North Harbour Year 6 Field Day. With over 60 teams competing across 4 grades this was a much anticipated event and a great opportunity for our teams to play against schools outside of the usual competition. Up against some tough competition our Hauraki teams performed very well, with 'Hauraki 4' reaching the semi finals to finish 4th in their grade. More important than results however, was the positive sportsmanship displayed by all of our Hauraki players. This was commented on by several of the opposing teams. Well done everyone on a great day of netball! Thanks to all parents who supported our teams throughout the day.

Left: We had a great game against Stanley Bay Primary at Hauraki School and we won 5-3!

Right: Hauraki year 4/2 vs 4/3 in an exciting match.

We are sorry to say goodbye to two staff tomorrow. Rebekah Marander-Higgins who teaches year 6 is a long standing staff member who is going on maternity leave from tomorrow. Also a big thank you to Mrs Karenne Phillips, a wonderful teacher aide for the past few years who is retiring. Our very best wishes go with them.

Enjoy a happy mid-year school holiday break and we look forward to seeing you all on **Monday 14 July.**
