Dear Parents/Caregivers

There was great excitement at school today when Jerome Kaino and Sonny Bill-Williams turned up to take a drill session and have a fun game with a couple of our rugby teams. Kapahaka then welcomed them followed by a question and answer session when we learned a little more about these special visitors. They concluded by encouraging our rugby players to keep practising, trying hard and having fun. Thank you to Trevett Family for making this possible.

VALUE OF UNDERSTANDING

One of our jobs as educators is to encourage children to be good listeners, that in turn enables **understanding**, our value of focus for Term 3. We all know that the ability to listen well is vital if we are to understand.

To develop this important skill here are some suggestions to help your children at home too.

Encourage listening before speaking.

Ask what did you hear me say?

Invite reflection by asking questions about the listening.

NEW FACES

A warm welcome to several new students and their families: Olivia (year5) and Alexander (year 3) Manning, and Alice Gao (year 4). Also there are a number of brand new five year olds: Marcus Nguyen, Chloe Nicholls, Jay Kong, room 2, and Adam Wilson, Harry Singleton and Jayden Chen, room 1. We wish them and their families a happy and successful time at Hauraki School.

It is with pleasure that we also welcome Mrs Ivy Bright who is teaching room 16 till the end of the year while Miss Kristy Graveson is on leave.

WHAT A KNIGHT VIDEO

We are grateful to parent, Matt Holmes who has created a quality online video of our recent show *What A Knight*. If you would like a copy of this please deposit \$20 into the school bank account any time between now and Friday 3 August when orders will close. After that we will then forward you the link to the video and the password.

Bank details are as follows:

Account No. 12 3109 001 2228 00 Account Name Hauraki BOT Bank ASB Takapuna

Be sure to include your *child's christian and surname* and the reference which is *video*.

BIKE AND SCOOTER TESTING

Please note that bike testing is **Monday 30 July** and scooter testing **Thursday 2 August**. Children who are wanting their licence and are 9 years of age or older now, or will be turning nine this term, are able to bring their bikes or scooters on the respective days. Please note that this does not include children who have already passed this test.

PHOTOS

Class photos are to be taken next **Friday 3 August** so it would be great if everyone could be at school that day.

Individual portrait photos will also be taken that day.

There is also an opportunity to have sibling photos taken but for this to happen you must collect a sibling photo booking form from the school office area and return it before photo day. No signed form returned, no photo!

Once these are all ready you will receive a key code that you can use to go online, view your child's photos and order if you wish. Please look out for more detailed information in your child's bag this week.

ROAD PATROL

Can you help? We have a vacancy for adults willing to help on a Friday afternoon supervising our patrolled crossing. No experience necessary. If we have several volunteers we could roster you so you would only need to help out a few times in the term. Please email Christopher Pipes chris@hauraki.school.nz asap.

WATERWISE

We are looking for new recruits to join our Waterwise instructors team! No previous sailing or boating experience is necessary. You will be taught everything you need to know during the training course. Waterwise is a module all of our year 6 children do and it teaches them the basics of sailing, water safety and confidence in the water - they love it!

This is a great opportunity to learn to sail and to be involved in your child's waterwise education.

QUIZ

We are on the hunt for a few extra prizes for the quiz night. See PTA section. Do you have a small item you could contribute, i.e. a bottle of wine, box of chocolates, hand cream, gourmet food item, etc? There is a box in the office foyer if you have something to donate. All items much appreciated!

REMINDERS

We have had a complaint from a resident in Waitemata Rd about a small silver car that regularly parks across their driveway. It would be much appreciated if the person concerned refrains from doing this.

Please use the crossing if you're wanting to get to the other side. It is important that parents and other adults model this for their children.

Children are expected to wear the correct school uniform at all times. Thank you for your cooperation with these matters.
