Dear Parents/Caregivers

We're having a very busy show week but I am so proud of all students and teachers who are doing an amazing job. Thank you, parents for all your support with ensuring that children are well prepared for each show and for getting your children to school in good time..

I hope you all manage to get to see this school event. You will not regret it! There are still a few tickets left for tonight and tomorrow night if you or anyone you know wants to purchase from the office at the last minute!

For those who would like a keepsake, the show is being videoed we will let you know about ordering later.

PHOTOS

Photo key cards from Photolife for group and portrait photos that were taken recently have been sent home today so please look out for these in your child's school bag. If you wish to order photos please do so online using the information on the key card.

REMINDERS

We would really appreciate it if parents did not congregate in classrooms before school in the mornings. By all means pop in but if you wish to chat to each other please do so outside the classroom.

When entering and exiting the school grounds please always use the pathway and not the drive way. Also when crossing the road please ensure you use the pedestrian crossing. It is important that parents model these things for children.
