WALKING SCHOOL BUS

Big Walk Trophy winners!

Congratulations to everyone who participated in our AT Big Walk and helped us **Win** the competition for the Northern Region! That means we got the highest proportion of kids walking to school on our big walk - a sterling effort.

Free Sausage sizzle for all Walking School Bus children

If your children are regular walkers on any of our bus routes they can join the sausage sizzle fun. Remind them to come to the School Hall at the beginning of lunchtime on **Friday 13th April** for delicious sausages.

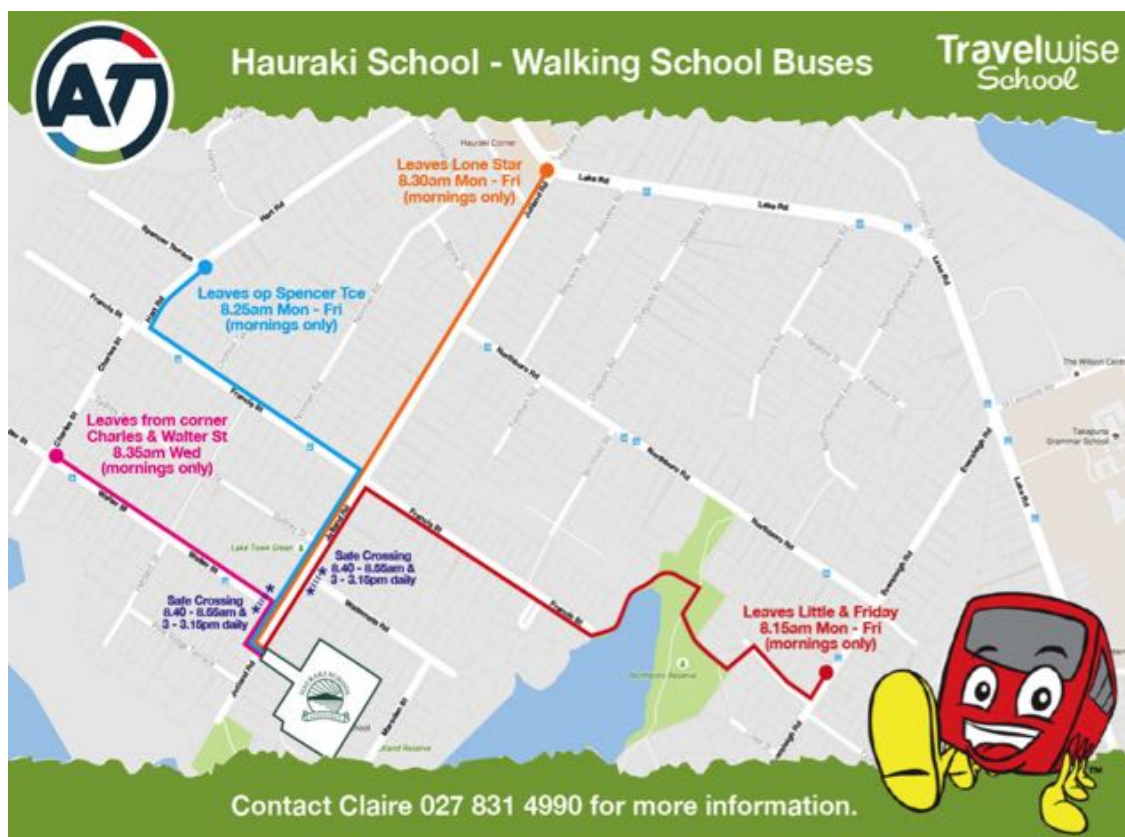

Trial the Walking School Bus & you can join our free sausage sizzle

Ever wanted to know a bit more about the Walking School Bus? Now's your chance. We're inviting you to come & try it with your child. And if you walk twice* with us between Tues 3rd April and Thursday 12th April your child will be welcome to join the sausage sizzle, at lunchtime on Friday 13th April.

How do I trial? Just contact your route coordinator the night before you walk, details below:

- **Eversleigh Rd:** Claire Reid [027 831 4990](tel:0278314990)
- **Hart Rd** Bianca Cornforth 021 024 02214
- **Jutland Rd:** Nicola Mercer Ellis [021 299 8030](tel:0212998030) (walk M, T, W & Fridays)
- **Walter St:** Iska Girard de Soucanton 021 032 0560 (currently walks on Mondays and Wednesdays)
Walter St: only 1 trial walk needed on for sausages.

SOUND

As many of you will be aware we are performing a school musical at the end of next term. We are needing assistance with managing the sound for the show so if anyone can help that would be appreciated. Many thanks.

CHESS

We are keen to get a chess club underway for the year. If you have chess knowledge and are able to spare an hour each week that would be much appreciated.

Please email me principal@hauraki.school.nz or let the office know

SCHOOL – GEN COMPETITION: VOTE FOR HAURAKI SCHOOL TODAY!

Just a reminder that this competition is on going. **Our school could win either \$25,000, \$15,000 or \$10,000 to spend on science or tech equipment.** For example, we could have a solar array installed, giving our students a chance to learn about solar energy, energy efficiency and a host of related topics. Alternatively, 3D printers, robotics kits or even virtual reality goggles – whatever helps get our kids enthused around science, tech and maths!

You, your family and friends can vote for our school every day up until 2 April 2018. Just click on the link below find our school and vote every day!
