TRAVELWISE

Wondering about walking to school? Well, it isn't just good for kids—it's great for families, communities, and the planet too.

  	<p>Healthier bodies – Regular walking helps kids stay active, maintain a healthy weight, and get them ready for cross country.</p> <p>Happier minds – Walking can improve mood and reduce stress. It's a simple way to support children's mental wellbeing, helping them feel more positive and focused throughout the day.</p> <p>Sharper learning – Physical activity is linked to better concentration and memory. A brisk walk to school can help students arrive alert and ready to learn.</p> <p>Cleaner communities – School drop-offs contribute significantly to traffic congestion. Walking helps reduce cars on the road, which means less pollution and safer streets, especially with our lack of parking at school.</p> <p>Safer, more confident kids – Walking regularly builds road safety awareness and independence—skills that last a lifetime.</p>
<p>So next week, come and join us by signing up here https://www.auraki.school.nz/wsb.html It's a small change that brings big benefits for your child and your community. Plus we have an Easter Egg Hunt on the way to school next week!</p>	

ROAD SAFETY

It has been brought to our attention that some parents are not stopping at the stop sign at Charles St and Walter St. One of our parents has witnessed multiple near misses when driving up Walter St and drivers (Hauraki parents) not stopping or looking and pulling out. Kids are often crossing at the intersection in question. Thank you for your cooperation with this matter.

More generally, we have had several near misses this term involving Hauraki students, something that's always concerning. Please can you talk to your children particularly those who bike or scooter to school. Traffic flow is only increasing!

CRICKET

We enjoyed a cricket match against Belmont Primary yesterday hosted by Hauraki. There was good healthy competition in drizzly conditions. Congratulations to the opposition who secured a very good win. Thank you to the parents who helped out on the field and with the afternoon tea.

We have another week of school but this is the last newsletter for the term. Thank you all for your support over the past ten weeks that is always much appreciated. It has been a busy term but there have been lots of achievements. Now it's time for some rest and relaxation.

Enjoy the break, and we look forward to welcoming you back on **Monday 28 April**.
