This fun family 5km run/walk is on Sunday 5 April. It departs from Takapuna Grammar school and finishes at the Milford reserve and the route is mainly along beaches. It is a fun family event and a portion of the amount raised is given back to the school for the purchase of sports equipment. Please go to www.shoretoshore.co.nz for registration and details.

HEAD LICE

This has been an issue in some classes already this year. If you know your children have head lice (Please be vigilant about checking this) we would appreciate them not being returned to school until this has been eradicated as it is highly contagious.

TRAVELWISE

Walk to school - Improve your health & WIN

As you know Hauraki School is a Travelwise school, aiming to improve road safety and reduce the number of vehicles driving to and from school at peak times.

To help encourage more children out of cars and onto their feet, bikes (if 9+) or scooters (with a parent), we're running a week long promotion from **Monday 16th - Friday 20th March**. Each child will be given a ticket that we will be stamped each day they walk / bike / or scoot to school. There'll be spot prizes for walkers.

Term 1 Value:

Walk 5 days and you go into a draw for **great prizes, including a \$25 Shore City voucher.**

Can't Walk every day? Make **Wednesday 18th March** the day. It's the Auckland wide Walk to School day - where families throughout Auckland will be leaving their cars at home. Lets see how many Hauraki families can do the same. We will have a second draw for children who walk on the Wednesday.

Why walking is the best start to the school day...

- Children learn more by walking to school – they discover their environment and all the magic that brings. They learn about road safety and skills for independence
- Walking the kids to school is a special time for parents – It's a time you will both always remember
- Walking to school means your children get more exercise
- Whether you walk, ride or scoot to school, it's a lot more enjoyable than sitting in a traffic jam.

Do the right thing

- Lead by example and be sustainable - a simple step can lead to a big change. Every time you walk instead of driving helps the environment
- Let's work towards safer communities and Auckland Transport's Vision Zero goal. Every car off the road increases the safety of children walking to school
- Help clear up the congestion around school gates and leave the car at home.

- **Enjoy walking and want to do it more often?**
- You can join one of our four **Walking School Bus** routes. Just walk with the bus one day a week (or more if you want) and your children are walked by other parents for the rest of the week. Giving you more time in your busy morning.
- Find out more about the walking school bus [here](#) , or [Join Now](#) online.

ROAD PATROL

We are very keen to have volunteers help out with road patrol after school, 3- 3.15pm and on a Friday morning 8.25am – 8.55am as this is a whole staff meeting morning. If you could assist please email deputy principal, Christopher Pipes chris@hauraki.school.nz

CORONAVIRUS

Please follow Ministry of Health guidelines that are being promoted through the media. Our advice is that we should continue to reinforce healthy practices at school such as being vigilant with handwashing, sneezing/coughing into an elbow and so forth. We have been reinforcing these things at school and it would be great if you could please do the same at home. As always if your child presents as being unwell please do not send them to school.
