Kia Ora Koutou

Thank you to everyone who attended our Meet the Teacher evening last night via zoom. As a follow up each syndicate is sending digital letters home today or tomorrow (on seesaw for years 1-5 and emailed for year 6) outlining all the important information that you can use as a reference. In addition, hard copies of seesaw QR codes, activity funds for the term, and Behaviour Management Agreement and Internet Agreement (one sheet of paper back to back) are being sent home in your child's bag. Please look out for these and make sure you take the time to run through both agreements with your child, sign, then return to the class teacher. Every student is required to return this by **no later than Monday 14 February**.

ARRIVING AND LEAVING SCHOOL

I was very impressed with the way children were so brave at the front gate when saying goodbye to parents last week. We will continue with this same arrangement in the meantime.

At the end of the day we will continue with staggered finishes. In order to try and make it a little less chaotic we now have year 1 students (rooms 1,2,4,5) coming up at 2.45pm, then year 2's at 2.50pm. If year 2 parents could please stand back so the year 1 parents can collect and go as quickly as possible that would be helpful. The Middle school will continue to finish at 2.55pm and the seniors at 3pm. We ask that parents wear a mask, observe social distancing rules as much as possible, and please avoid stopping to chat at the school gate. Thank you for your cooperation with these important matters. I know some parents are concerned about the number of adults at the gate in the afternoons. Just an idea but maybe you could wait a little further away up or down the road and have your child walk to you.
