Kia Ora Tatou

Across Aotearoa the N.Z. Curriculum is undergoing a refresh that is expected to be fully implemented by 2026. The government’s aim is to give greater clarity and consistency to the teaching that matters, for all learning areas, as well as a greater sense of what individual student progress looks like. To this end, our recent teacher only day was dedicated to developing an understanding of how this will work for teachers.

Our next Teacher Only Day on Friday 2 June will focus on mid-year assessments, moderating these to ensure accurate teacher judgements, and report writing.

CROSS COUNTRY

Our recent annual sporting event was held in true cross country conditions, a memorable event for many children this time! Thank you to the parents who assisted on the course and also to those who came and watched. I was proud of all those who endeavoured to achieve their best.

FAMOUS PEOPLE

Makaia Anesi was awarded the grade 7 girls 2022/2023 **Auckland Athlete of The Year** at the recent Auckland athletics prize giving.

Cassara Shao is a cheerleader whose team has just competed in the global games in Hawaii and came 4th in the junior level 2 division. They were beaten by Australia and Canada after a very tough competition, but everyone is very proud of the team. We know Cassara has been practising hard for months.

REMINDER

This is another reminder about **not** sending your children to school if they are unwell which includes colds and persistent coughs. Also if you've been phoned about collecting a sick child please come as promptly as possible. We are wanting to keep the school environment as bug free as possible for the sake of staff and students. Thank you for your cooperation.

TRAVELWISE

We had lots of fun during last week's Road Safety Week which involved hundreds of schools to prevent road deaths and injury. This included kids getting stamps during the week who arrived and left school by either walking, biking or scooting with their stamps earned going towards house points.

We also had two special guests from Auckland Transport visit (Zara the Zebra and Buster the Bus) who came to say hello to our children and parents and promote road safety.

We also had a "Be Bright Be Seen" dress up in yellow day for the children to have fun. It was a wonderful week encouraging road safety and for our children to use active modes of transport getting to and from school, rather than a car, supporting our road safety goals and removing car congestion around school.

Congratulations to North House which was most active and used cars the least during this year's road safety week and will enjoy a special reward!

To find out more about our Walking School Bus SMS/call Hayden on 0275 780 522, or sign-up [HERE](#).

We look forward to seeing you on the Walking School Bus soon!

PS - Keep an eye out for a Walking School Bus ROAD SAFETY quiz and win a prize!
