Kia Ora Tatou

Apologies for this late newsletter. It has been a busy fortnight but there are a number of successes that I am proud to share with you.

CROSS COUNTRY

Well done to the members of our representative team who competed with all other peninsula primary schools in this week's annual event at Narrow Neck.

Special congratulations to our three winners, **Archie McRae** 1st year 4 boys, **Harry Gold** 1st year 5 boys and **Daniel McLiver** year 6 boys.

Commendable efforts!

WRITE ON COMPETITION

Congratulations to **Janice Zhang**, year 6, who won the year 4-6 category in a national *Write On Competition* with her poem *Young Days at the Beach*. We look forward to receiving the 60th issue of *Write On* magazine at the end of the month with this poem featured.

MATHEX

On Wednesday the 7th of June, two year six teams travelled to Northcross Intermediate School to participate in the Mathex problem solving competition! In Team One, we had Laila, Tommy, Janice and Charlie, and Team Two consisted of Ivana, Jessica, Keanu and George. Both teams participated well and solved lots of very difficult problems, achieving wonderful scores. We are very proud of their amazing achievements!

KNOWLEDGE-A-THON

We are very grateful to you all for your support with our recent fundraiser, the knowledge-a-thon. Hopefully your children will retain their great learning! We are still waiting on a few forms to be returned and we would be grateful if these could please come back tomorrow so that a final count can be made and winning classes announced.

To date **\$29 130.00** has been collected, a fabulous effort that has enabled us to get another step closer to achieving our new pool.

A pizza lunch will be provided for the winning classes in each of the junior, middle and senior syndicates next **Tuesday 13 June**. Also, at our **1.30pm** assembly that day individual prizes are to be awarded. You're welcome to attend.

REMINDERS

- We would appreciate parents not driving into the school grounds to pick up or drop off children especially between 8 and 9am and 2.45pm till 4pm unless it is an emergency situation. The parking inside the grounds is for staff only as there simply isn't the room for additional cars. Thank you.
- This is another reminder about **not** sending your children to school if they are unwell which includes colds and persistent coughs. Also if you've been phoned about collecting a sick child please come as promptly as possible. We are wanting to keep the school environment as bug free as possible for the sake of staff and students. Thank you for your cooperation.

A WORD TO NETBALL PARENTS

The coordinator of Netball North Harbour has asked that a message to parents be passed on. Please note this is a generic message and not necessarily directed at Hauraki. They have had a record number of complaints about sideline behaviour recently. The message is that maintaining a respectful and positive environment for everyone and modelling good examples for our young people is paramount regardless of what you believe to be right or wrong, or how high your emotions may run.

Please remember those helpers involved are mostly volunteers and we often struggle to get people such as referees, coaches and managers. Please be grateful that they are prepared to give it a go! They need your support as they are only doing their best.

Thank you for your cooperation with this.

Fundraising with *The Little Mermaid*!

Thanks to everyone who came along to Hauraki School PTA's movie fundraiser with the live-action *The Little Mermaid* on Sunday 28 May. We had a fantastic time, enjoying this great movie in a sold-out session at The Vic in Devonport. The crowd was amazing! We were happy to share some great spot prizes on the day and had two lucky winners for the amazing raffle hampers. The PTA raised about \$2,000 with this event, which will go towards the Cool School Pool project. Thanks again for your support!
