

16 August 2020

Dear Parents/Caregivers

You will now be adjusting to a further period of Alert Level 3 and working through the impacts this will have for your family and whānau. It is pleasing to see how New Zealanders are responding to this latest outbreak by getting tested if unwell, and staying home.

Online learning is to continue this week for all Hauraki students and they can look forward to being greeted by their teachers each morning. Teachers will provide an outline of the work for the day and all children are expected to complete this if possible. Please email your teacher if there are any issues.

Children of essential workers only are able to attend school this week. They are to be met at the school front gate from 8.50 -9am by a teacher or myself. School hours will be 9am to 3pm and supervision is to be provided for these students. Please email me if your child will be attending school any day this week principal@hauraki.school.nz

While most of us are familiar with requirements at Alert Level 3, we will continue to emphasise the importance of:

- Good hand hygiene and cough and sneeze etiquette
- Staying away if sick
- Keeping an appropriate physical distance from others
- Cleaning and disinfecting our high touch surfaces daily
- Staying in our bubbles
- Keeping a visitor register for essential visitors

We know all these things will help to keep our community as safe as possible. Because of these measures being in place, your child does not need to wear a face covering while at school.

Stay safe and we look forward to seeing everyone in person, hopefully very soon.

Clarinda Franklin
Principal
