Dear Parents/Caregivers

*Parents and Extended family are all invited to our*

## Arts Festival

to be performed in the school hall on

**Wednesday 18 September**

1pm or 7pm

**Who: Middle and Senior students and some juniors**

**We are looking forward to welcoming you all!**

This performance is intended to show case music, dance, drama and visual art that children have learned during this year. We suggest you come along half an hour beforehand and view the art on display. Every child in the school is to be represented. The PTA will be selling refreshments at this time as there is no interval. Also there is no entry fee or tickets. Seating is on a first in first served basis.

**Please note that all middle school and senior school students are expected to attend both events so even if you're not coming they must be there. Thank you for your cooperation with this.**

## COMMUNICATION

Please **do not** email teachers and ask them to pass on messages about after school arrangements or similar. Teachers are teaching and are not in the habit of checking their emails during the day. This has left some teachers in the unfortunate position of not having discovered a message till after 3pm when its all too late. We urge you to ensure after school activities etc are organised with your child before they leave for school in the morning.

A reminder that when children attending before school care or sports practices should be dropped off at the gate rather than being driven down into the school. Within the next couple of weeks our new building is supposed to get under way so there simply won't be room for parent cars. Your cooperation with this is much appreciated.

We would also prefer that parents who enjoy a chat in the mornings do so outside the classroom as teachers find it very noisy otherwise. And of course **no** buggies please in classrooms

### MEASLES

Currently there is much in the media about measles. So far we at Hauraki School have had no confirmed or even suspected cases that we are aware of.

Measles is a serious viral infection that spreads very easily from person to person. If your child has had at least one dose of measles vaccine – MMR (vaccination records should be in the Well Child (Plunket) book or the family doctor may have records) OR your child has been diagnosed with measles in the past then they are almost certainly protected.

If the above does not apply your child is not immune. It usually takes 10 to 14 days for someone who has caught measles to start showing symptoms. If your child develops a high fever, runny nose, cough, sore red eyes, or a rash see a doctor. Remember it is not too late to vaccinate if you know your child has not been immunised.

Should any child be diagnosed with measles it is really important that you advise the school as we have an obligation to inform the community.

## Measles outbreak in Auckland schools

**The only way to protect your family is to make sure they are vaccinated or immune.**

If your children or you have missed any vaccinations, please see your doctor now to catch up. It's **FREE** at your GP.

If your children are vaccinated, they won't need to stay at home if there is measles at your school.

Keep your child at home if they are sick and watch out for:

**If you or your children show symptoms please stay at home and call your doctor or Healthline (0800 611 116) for advice.**

We also have some families who on enrolment did not inform the office as to whether their child has been immunised or not. This is a requirement so if you know that you haven't provided this information we would be most grateful if you could let the office know so our register can be updated.

Meantime, for more information about measles, contact Healthline on 0800 611 116 or visit [www.arphs.health.nz/measles](http://www.arphs.health.nz/measles) The only way to protect your family is to make sure they are vaccinated or immune.

And just to hand from Waitemata DHB - Waitematā clinics: Saturday only: Waitematā DHB will be holding a free community MMR vaccination clinic at Waitakere Hospital this Saturday (7 September). It will run from 8.30 am–2.30 pm in the Outpatient Clinic area.

## WHANAU GAMES EVENING

Thank you to the small group of parents who attended our Maori hui last Wednesday evening. A short presentation took place that outlined ways we support students to enjoy and achieve educational success while at the same time valuing identity, language and culture.

Following on worthwhile discussion took place about ways to enhance te reo and tikanga but also to engage with our community while enjoying beautifully prepared kai by Ally Gamby.

To foster parent and student engagement a games evening was suggested as a way of coming together and just having some fun.

We would love you to come along even if it's for just a short time. See poster alongside.

## PENINSULA ARTS FESTIVAL

It is sure to entertain even the most artistically challenged. Ten Devonport Peninsula Schools are represented including Hauraki.

It is now open to the public at the Lake House Arts Centre, Takapuna and on Saturday 7 September at 12.30-3pm it coincides with the Lake House annual open day and there will be activities provided for children AND a local brass band at 3pm. The Lake House café has good coffee and their food also looks great. So, as they say, "fun for all the family". The exhibition is open till 21 September.

## PHOTOS

A reminder that all team and group photos are to be taken on **Wednesday 11 September** from 8am. If you are a coach or manager it would be great to have you as part of the photo. Those with complete teams on this morning will be photographed first so parents can get off to work.

## FAMOUS PERSON

Congratulations to Regina Cao who participated in the Taekwondo New Zealand Open Championships, competing against others from around New Zealand. Regina won two Gold medals. This result involved commitment, perseverance and hours of training. We are very proud of her result. From her Programme Manager, Sarah Ward.

All teams improved a lot through the season and had lots of fun.

Special thanks to Kirsty Lynch-Blosse and Lisa Cagney for all their effort with coaching the teams over the last two terms.

We all loved the disco last Friday night. A big thank you to the PTA members for all their efforts with organising this fun event.

Now I look forward to seeing you on 18<sup>th</sup> September at either 1pm or 7pm.
