Dear Parents/Caregivers

I was immensely proud of all students and teachers involved in the Art Festival this week and hope you enjoyed this special occasion that highlighted the diverse cultural opportunities available at Hauraki School which we strongly encourage all our students to be part of. Particular thanks to Mr Tony Ramsay, Mrs Wendy Saelmans, Mrs Rebekah Marander-Higgins, Mrs Cheslea Devine, and Miss Emily Jones who have worked so hard to ensure the items reflected what your amazing children are capable of.

Dancing through the Ages: A medley of year 4 and 6 students

MIDDLE SCHOOL MARKET DAY

As a culmination to term 3's inquiry learning that has focused on *The Market Place*, the Middle School will have their own market day this

Friday 20 September at 11am in the school hall

There will be a range of goodies for your child to purchase such as fudge, rocky road, popcorn, jelly, baking, lemonade and candy. Every item that is being sold at the market day will have the ingredients listed at the stall in case of any allergies.

Each child is allowed to purchase **two items** which are **\$1.00 each**. The maximum amount of money that your child is able to bring to the market day is **\$2.00**. You are more than welcome to send your child's \$2.00 to your child's classroom teacher before Friday in a named envelope to ensure your child has this money on the day.

If you have any questions, please don't hesitate to contact your child's classroom teacher.

Many thanks from Middle Syndicate teachers.

ROAD PATROL HELP

Two positions have become available for our school road patrol duty after school on Wednesday and Thursday afternoons from 2.55pm to 3.20pm. Please email Christopher Pipes chris@hauraki.school.nz if you can help. He would be delighted to hear from you.

A WORD OR TWO

I would like to reiterate the importance of not sending your child to school if unwell because of the risk to others. It is also important that if your child becomes unwell they are picked up as soon as possible after phoning. If you are busy please make sure you have a back up organised just in case this should ever happen. It is unacceptable to have sick children in the sick bay for hours on end which is what happened on a couple of occasions last week. Also please make sure you are always accessible by phone when your children are at school. Your cooperation with this important matter is appreciated.

Also I have had an email this week from a neighbour in Marsden Street who is unhappy about cars from Hauraki School parking across their driveway. She has passed on a photo of offenders to me. Please refrain from doing this otherwise next time I will be obliged to pass on to our local constable who would issue a ticket.

WHANAU GAMES EVENING

What a relaxing and enjoyable opportunity this was to meet others in the school community whilst experiencing a range of activities both inside and out! A big thank you to Whaea Ally Gamby who organised it all and to everyone who came.

PENINSULA ARTS FESTIVAL

A reminder that the Devonport Peninsula Schools Arts Festival (including Hauraki) that is currently exhibited at the Lake House Arts Centre, Takapuna ends on 21 September.

BOOKS FOR RUSSELY SCHOOL

If anyone would like to donate any second hand books to Russley School ,the primary school in Christchurch that had some of their classrooms burnt down, please drop them to the school office. One of our teacher aides will collect them up and send them off.

BOOK AMNESTY

We would be very grateful if you could assist us with ensuring that all reading books and library books are returned to school by the end of this term. If it's a library book please just post in the returns box in the library or return to the class teacher. No questions will be asked! We just want all books back.

KINDNESS

As I'm sure most of you are aware kindness has been our value of focus this term. At a assembly next Tuesday I am going to give children a 14 day holiday challenge and brainstorm some ideas with them. The more we practise it, the more natural it is likely to become!

The challenge is that each child carries out one kind thing (without being asked) every day of the holidays and records it by writing down in a list or taking photos. They may even like to make a montage of photos or create a slide show to share at school next term. Of course the possibilities and choices are endless. Thank you in advance for supporting your child participate in this holiday activity.

SPORTS

HOCKEY REPS

Some of our very talented hockey players from year 5 and 6 have made it through to the North Harbour Primary Representative programme. They were selected by their coaches to trial. On the result of the first trial they were called back for a second trial and on those results were selected. Congratulations to Pippa Lynch-Blosse, Brooklyn Horne, Crista Dermott, Emma Austin, Elizabeth Ellis and Sophie Carter.

TOUCH RUGBY

For those that have registered for the term 4 touch module, your child has now been placed into a team. The Devonport Peninsular Touch organisers are coordinating with the parent volunteers who will then be in touch with you. Uniforms will be handed out in term 4.

We wish you all the best for the season.

Right: A Year 5/6 house netball competition was held over a couple of weeks that resulted in a win for North.

Fencing to make way for the new school building is to begin next week so from Tuesday, I ask that no parents come into the school grounds please, unless it is an emergency. Thank you for your cooperation with this.

Best wishes for a happy school holiday from 27 September. On behalf of staff we look forward to welcoming you back on **Monday 14 October**.
