Dear Parents/Caregivers

Thank you! thank you! thank you!

What a tremendous community event our fair proved to be held in perfect weather conditions last Saturday! The final figure is just over \$100 000 net, an incredible achievement to be proud of in so many ways! A huge thank you to all those who contributed to this amazing success by taking responsibility for a zone, setting up a stall, helping on the day, and all those who worked behind the scenes for up to a year to ensure this success. You are indeed a special group of people whom the school is so fortunate to be associated with! Special recognition goes to parent, Susie Signal for her overall role as fair coordinator and to all her supportive team. And of course a very big thank you too, to everyone who contributed by spending so generously. The money is to go towards astro turfing the junior playground.
